*chorus:*

Down by de station, early in da morning  
See da little puffa-bellies all in a row  
See da station masta pull da little 'andle

Puff Puff Toot Toot, off dey go

*Now let me show you how we go  
Don't be slow*

Firs' 'trow ya 'ands up, 'trow ya 'ands up  
'Trow ya 'ands up 'cause I'm sayin' what's up  
'Trow ya 'ands up, 'trow ya 'ands up  
'Trow ya 'ands up, don' forget ya sippy cup

WHAT?

*Dontcha 'ave a sippy cup?*

NO!!

Oh sorry...froggies don't be drinkin' out of cups anyhow...  
Now get ready... 'cause 'ere come da part I call, hip hop...

Put ya 'ands in de air, your 'ands in de air  
Ya waive' em over 'ere and ya waive 'em over dere  
Ya 'ands in da air, ya 'ands in da air  
Waive 'em everywhere 'cause we just don't care

Now put ya hands on ya hips, ya hands on ya hips  
Ya move it side ta side like like dat and dis  
Ya 'ands on ya hips, ya 'ands on ya hips  
Like a grandfadda clock goin' tick tock tick

Jus' movin' side ta side, movin' side ta side  
Now don't be getting' shy 'cause ya doin' jus' fine  
Ya movin' side ta side, movin' side ta side  
'An movin' side to side like da very first time

Now shake it on down, shake it on down  
Shake it on down 'til ya touchin' da ground

Now up off da ground. up off da ground  
Get up off da ground 'cause ya know we goin' down

*(chorus)*

*But don't be gettin' on jus' yet  
'Ere's sometin' you need before I forget*

I got me a pack I take it off my back  
You gonna need 'dese if ya goin' down da tracks

You ask me "What are 'dese 'tings?"  
Well let me explain  
You gonna need a ticket jus' ta ride da Timmy Train

So put ya 'and in, ya take a ticket out  
Ya put it in da air, den ya shake it all about  
You do da Rastafroggie and you turn yourself around

Dat's what it's all about

*Now dat's what I'm talkin' about  
'Ere come Timmy 'jus tearin' down da tracks*
